

THE FRIENDS' HOSPICE PAPHOS

Summer Newsletter - Events Edition *August 2010*

Dear Friends

Saturday 09 October 1000 - 1800

09 October is **World Hospice and Palliative Care Day** and the Friends' Hospice are staging the Great Paphos Coin Race along the sea front near the Harbour to raise funds for patient care.

Come and join in the fun coin race between the men & boys and the ladies & girls. Who will create the longest line of coins? Secret locations along the 'line' will trigger a prize for the person putting down the coin. There are lots of prizes – will you be lucky?

The 'lines' will need to be monitored as they 'grow' and we really would appreciate it if Friends would come forward and volunteer to assist the organisers during this great fund raising event
